

# New Vision Children's Services

*Hope and Healing*

Dear Business Partner:

New Vision Children's Services is a non-profit organization that provides supports and services to families affected by autism through our **New Vision Autism Center** that opened July 1<sup>st</sup>. We serve families all over Southwest Riverside County, including Lake Elsinore, Hemet, San Jacinto, Menifee, Perris, Moreno Valley, Temecula, Murrieta, and all the areas in between. **We are the only autism resource center in the Inland Empire.**

The odds are, you know someone with autism—a coworker, a friend, a neighbor, maybe even your child has been affected. There are over 1200 children in this part of the county with autism or a related disorder!

Through our autism center, we have been able to provide free autism screenings, provide parents with one-on-one guidance regarding nutrition and treatment, and assist families in obtaining a diagnosis and much-needed therapies. We are expanding our services over the next few months to include after-school tutoring and a sensory center.

You can help us continue to help these children and their families. On February 28<sup>th</sup> we are hosting a Murder Mystery Dinner and Silent Auction at Keyways Winery in Temecula to raise money for the center.

We would like to provide you the opportunity to help our children and, at the same time, promote your business by donating an item to our silent auction.

## **Contribute a product or service for the silent auction**

Your company will receive excellent exposure and receive the following benefits:

- Your business name will be listed as a contributor in the Silent Auction program
- Your business name will be displayed in the auction area, viewed by all in attendance
- You will be provided advertising space (business card size) in the Silent Auction program
- You will be listed on our website for a full year, with a link to your website.

If your company does not have a product or service you feel would be appropriate for an auction package, a cash donation is welcome. All cash donations will be utilized to purchase a major prize package for the auction. All contributors will receive the same recognition. *No prize or support is too small!*
